NOTICE OF EX PARTE COMMUNICATION

On January 10, 2005, Ken Post and Rick Freeman, of Alert Systems, Inc., accompanied by the company's consultant, Dr. Alan Pearce, met with officials of the FCC's Office of Homeland Security to give a brief overview of the company's progress in deploying its early warning technology seamlessly via a variety of distribution platforms, e.g., cell broadcasting, SMS, radio and TV broadcasting, etc.

Attending the meeting from the FCC, Office of Homeland Security, Enforcement Bureau, were: James A. Dailey, Director; Gregory M. Cooke, Deputy Director; Kenneth W. Burnley, Senior Counsel; Bonnie Gay, EAS Expert & Program Analyst; and Darryl Smith, Senior Engineer.
